- The 16<sup>th</sup> edition of the show welcomed 180 international trade exhibitors from leading players in greenery and horticultural industry across 14,000 sqm in two Exhibition halls.

- This year the international exhibitors were from Canada, Greece, Italy, Indonesia, India, Japan, Jordan, Oman, Morocco, Netherlands, Pakistan, Palestine, Poland, Russia, Saudi Arabia, Spain, Sri Lanka, Switzerland, Syria, Thailand, Turkey, UAE, United Kingdom, United State.

- In addition to the above, over the years BIGS hosted exhibitors from Belgium, Congo, Cyprus, Germany, Jordan, Kuwait, Kyrgyz Republic, Lebanon, Poland, Singapore, Slovakia, Sudan and Taiwan.
The Exhibitors are pleased with the quality and organization of the show. Many have initiated business leads and are looking forward to participate again at BIGS 2020.

- 100% of exhibitors were satisfied with the quality of attendees
- 99% of exhibitors were satisfied with their participation
- 98% of exhibitors were satisfied with the event organization
- 57% of exhibitors had reserved space for 2020 before the event had closed.
Over 48,000 visitors from Gulf and Arab region attending the show.
4 days of business with high Level B to B meetings, pre-arranged by Organizers, is a unique opportunity for local and global exchange.

The Bahrain International Garden Show honors exhibitors for the quality of their displays and exhibits. Panels of judges are specifically selected to evaluate and judge exhibitors in each zone to recognize the efforts and talents of the winning displays.

Once again, Bahrain International Garden Show is growing by displaying a greater range of products.
